

The 5th Annual

Dermatology Innovation Forum

an Advancing Innovation in Dermatology conference

DERMSUMMIT.COM

Need

How do we provide innovators with a framework to enable the formation of multi-disciplinary teams to improve the lives of patients with skin disease?

One Solution

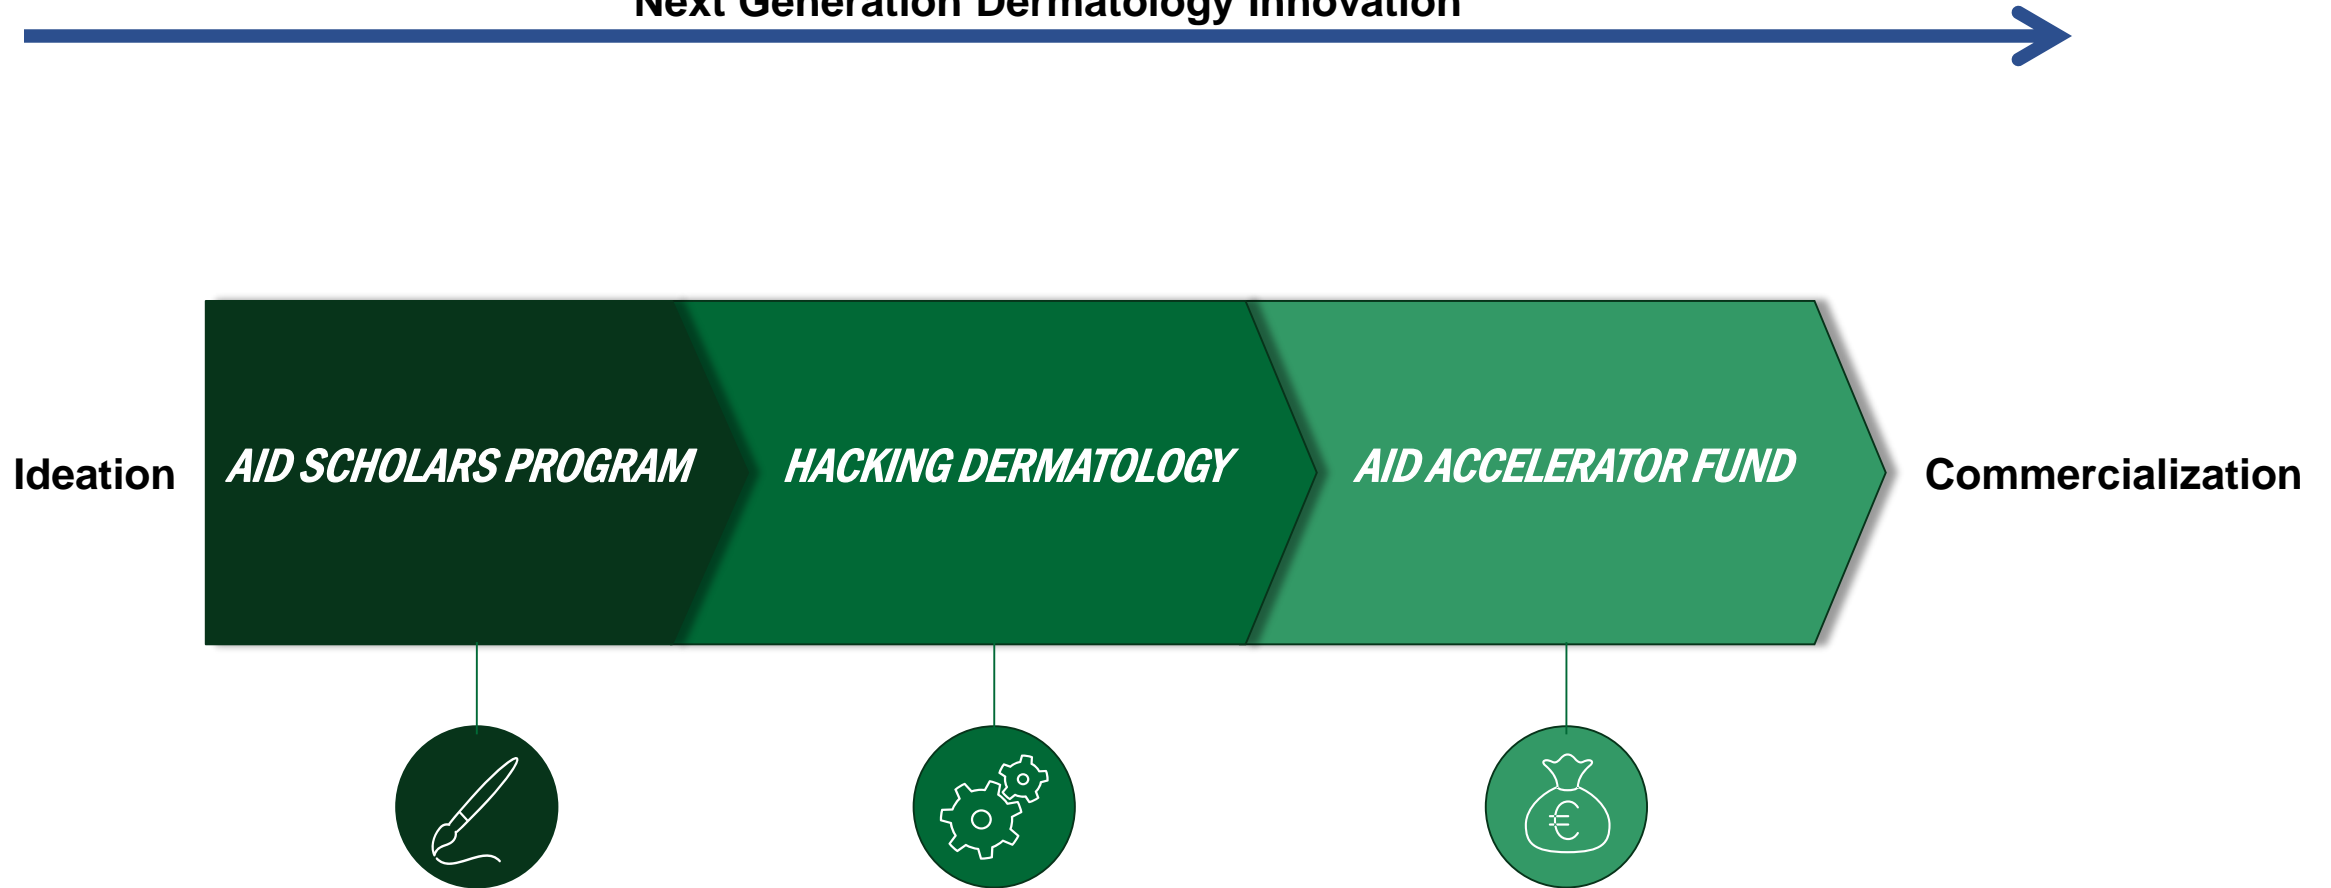

Innovation competitions can cultivate a community of scientists, engineers, clinicians, patients and advocates to dream big about improving skin health

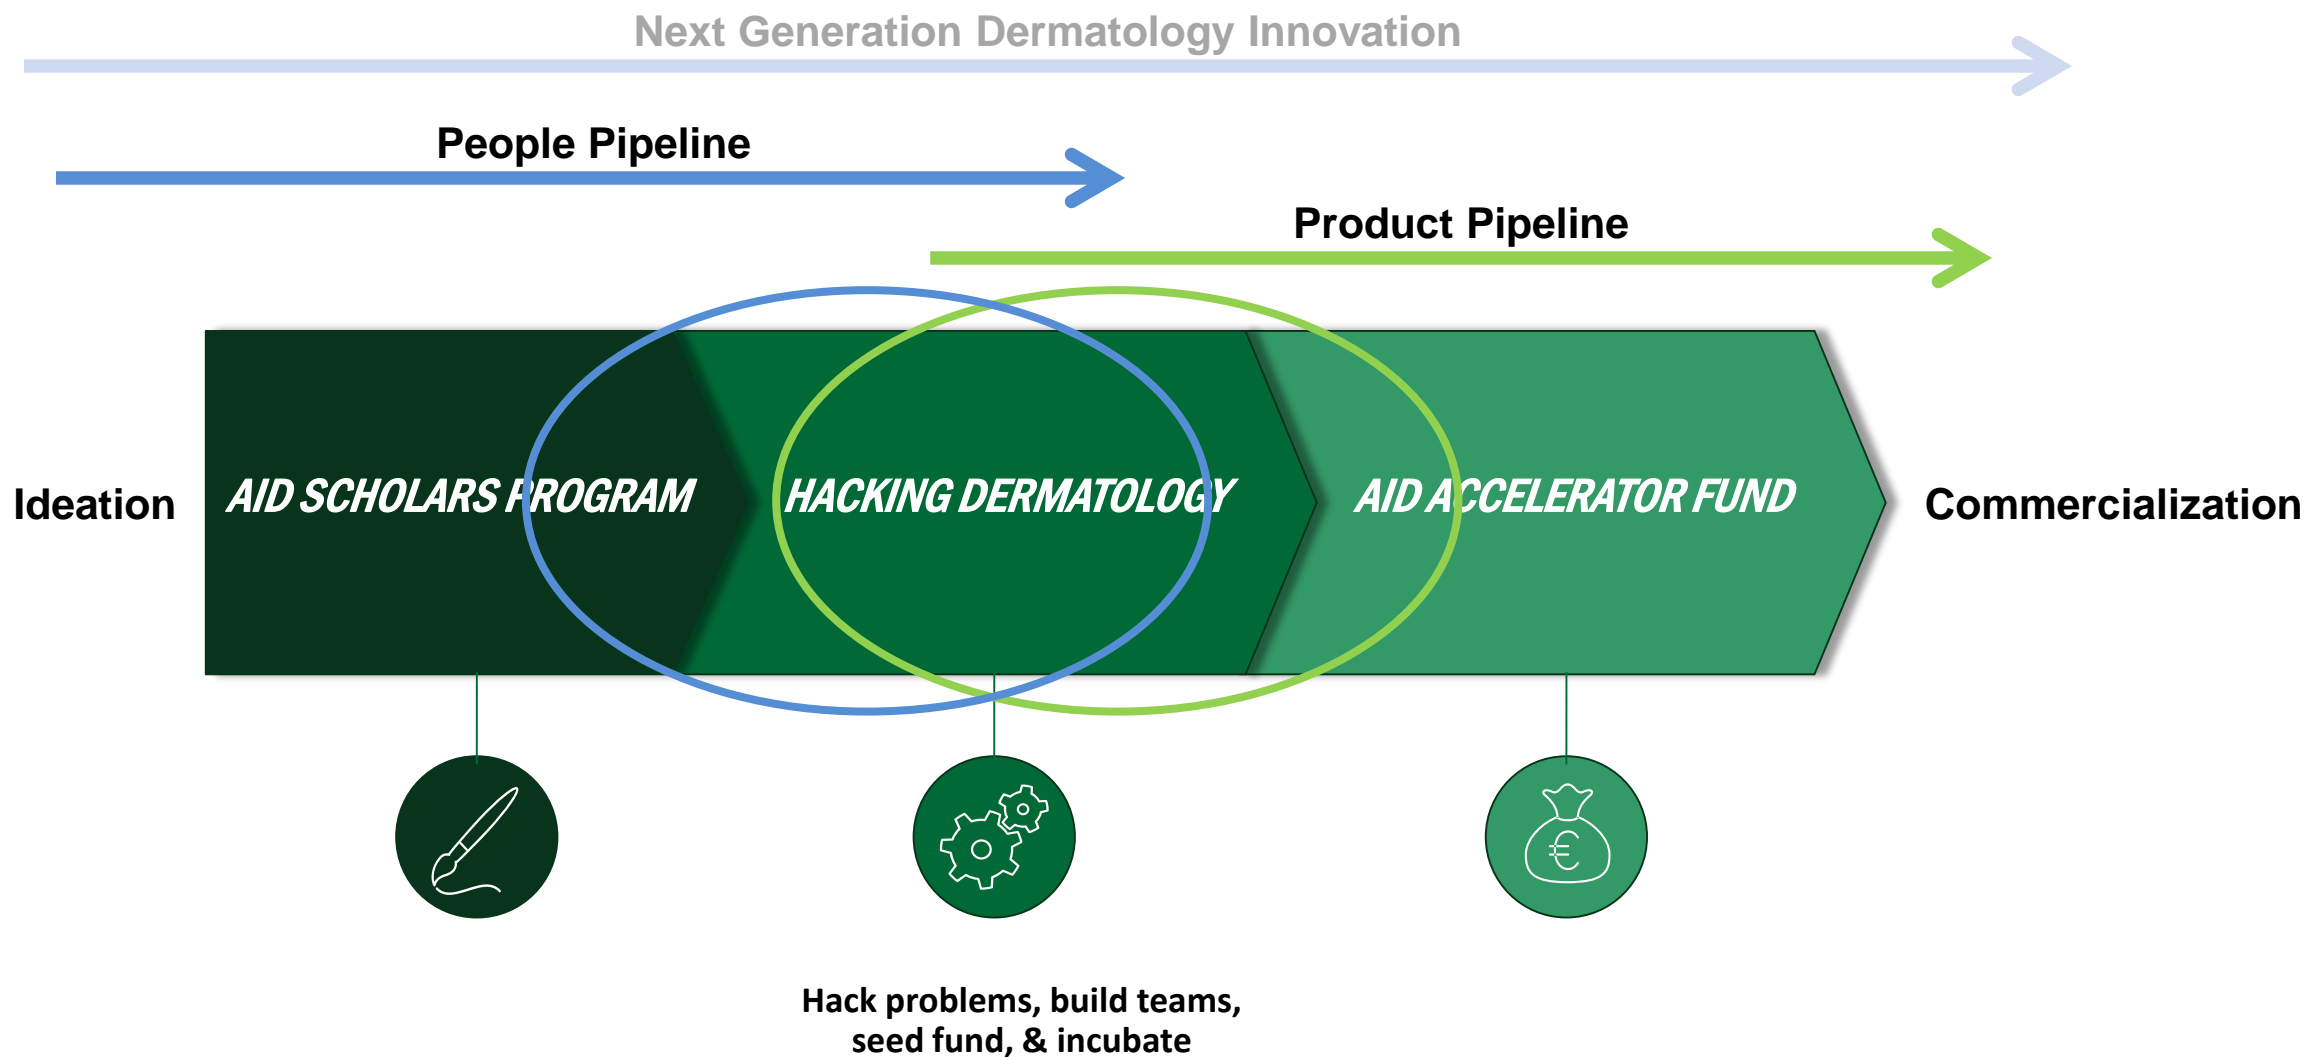

INNOVATION SHARK TANK

Next Generation Innovation for Dermatology

Next Generation Dermatology Innovation

Providing People With Experience to Build Solutions

HACKING DERMATOLOGY

Solving the challenges facing patients with skin disease
2018 @ Boston, MA
